

WILD TREE SERVICES

Wild Tree Services – May 2018 Tree Sales Availability

As of May 2018, these are the tree species that we have in stock for sale at Wild Tree Services! We have over 800 trees at our nursery, quantities of each species vary, so if you have a query – get in touch.

Tree sizes vary, and come in pot sizes ranging from 10L – 210L. All of the larger pots have handles which make them easier to transport.

We do have some trees in stock that are not listed below as some things are always changing, however this is a 'core' list and we strive to update this as regularly as we can – you can contact us for an up to date list of current species availability.

Contact us to arrange a meet and greet with the trees at our nursery near Burrington, Bristol, BS40.

We can offer free delivery on purchases over £100 within a 10 mile radius of our location. Any distance further we can offer a quotation for delivery.
